President's Message

By Jim Stevens

Happy Holidays to all members and their families. I hope everyone had a lot to be thankful for this Thanksgiving and enjoyed their turkey and all the trimmings. We all should be thankful for living in the greatest country. I know I was very upset about the terrorist attacks in Paris last month. Count your blessings.

I know there were members at the SEMA show in Las Vegas. Will you please share your experiences with us at the meeting? I was told it was amazing and huge. Also a lot of walking involved.

Chris Hanes, a member of CCSC from 1975 joined us at the November meeting. It was good to see Chris.

VCCA had their yearly show at Community Chevrolet on November 6. One of our new members, Gerry Wasson was there with his beautiful 1957. Gerry, get ready for Show and Tell.

Last month Mark talked about his Bucket List and I asked members to email me what was on their Bucket List. I received none. Do you have a Bucket List? I will share one of the things on my Bucket List: I think everyone knows that I grew up in North Hollywood. My father was a semi-truck driver for one of the large aircraft manufacturers. Because of the sensitive work he did, he was not allowed to take myself or my sisters in the truck for a ride. I can remember one time being inside the cab. My Bucket List wish is to drive a semi-truck down the highway and shift all those gears and stopping safely. Sound silly?

Don't forget Motor 4 Toys on December 6. More info at our December meeting. On December 12 we are having our Holiday Party at Boys Home. \$40.00 per couple. Show up and your yearly dues are taken care of.

Did Jerome really sell a car? Happy Hanukkah, Merry Christmas and a Happy, Healthy New Year.

See you at the December 2 meeting.

Regards,
ZIPPY

Secretary's Report

Secretary's Report by Barb Frey

Our club President, Jim Stevens, opened our meeting at 7:30 p.m. and noted that our Vice President, Jed Friedman, was absent and cruising with his wife, Susan, to the Panama Canal.

Officers were introduced and Jim acknowledged a few in attendance...notably George and Barb Tuers and a guest (actually a past member from 40 years ago), Chris Haynes, who owns a '57 Sport Sedan. We welcomed Chris to our meeting.

Jim also mentioned new member, Gerry Wasson, who has attended our car shows for 5 or 6 years and has a '57 210 2 door sedan. Welcome to the club, Gerry!

Next our efficient treasurer, Dale Hudelson, read our treasury report.

Alan Donath stepped in and subbed for Jed announcing a few new up coming events...

NEW BUSINESS Dusty's Motor 4 Toys is coming up on Sunday, Dec 6th. Meet at the Starbucks parking lot on corner of Victory & Canoga at 6:00 a.m. We will be leaving in our caravan promptly at 6:15a.m. to Anthem Blue Cross.. Don't forget your 2 unwrapped toys valued at \$10+ each.

Alan is meeting with Galpin Ford to see if something will work for our car show.

Michael and Ellen Bessolo said they would help with advertising again, but from their new home in Reno. That was very gracious of them to offer to take that on again!

Our monthly car show meeting was announced for Wednesday, Nov 11th, at IHOP....

Alan reminded us we were missing some members in attendance tonight due to Sema going on in Las Vegas.

Edie Sullivan mentioned our Christmas Party is coming fast. A sign up sheet was circulated and we were reminded it is on Saturday, December 12th, with happy hour at 6:00 and dinner at 7:00. Preferred Adult beverages are ok to bring but must be used with the usual discretion. Dinner is \$40 per couple, and when you show up that \$40 will go towards next years dues... you know the drill!

Alan talked briefly about the Roamin' Relics Car Show in Moorpark. He said it was a great show, there were some nice cars, quite a few venders, but Alan felt less cars than last year. A few of our members attended this show. He also talked about the A Busch show... "good looking girls, beer served, a band, a pancake breakfast and about 200 cars." Our very own George Yick won a trophy too!

Jim Stevens said the club picnic at Agua Dulce winery was fun...The tour was enjoyed, the wine delish, and the lunch tasty. But he noted only 3 classics were driven as a threat of rain was in the air.

Alan then quickly shared good news. His recent bladder cancer procedure went well, was a success and he is clean and cancer free! Now he just has to have periodic check ups to make sure he stays that way! But obviously this was a scary experience as any cancer is and can be. Barb Tuers has been taking chemo for her tumors and she was about to have another pet scan to see her progress...although her hair was a bit thinner, she looked great and still had that great attitude and smile! George seemed in good spirits as well.

Brandon collected \$75 for our 50/50 raffle... \$38 for the ticket winner and \$37 to our treasury. Brandon asked Nancy Rood to reach in and she picked Randi Klein. Congrats to Randi!

Secretary's Report continued

Well, I unfortunately forgot to bring my can of badge name tags for our monthly raffle, which would have been \$5 if there was a winner present with their badge on... but do not fear, it jumps to \$10 next month and I promise to not forget my can can!

Jerome still has lots of stuff for sale and cars too... The only tech talk we heard tonight was a comment that nobody wants to camp with Jerome!!! Hahahahaha

Our meeting was adjourned at 8:15 p.m. and many headed to Bob's Big Boy for fellowship and food!

Respectfully submitted by Secretary, Barb Frey

Joyous Hanukkah!

**At last! At last! Hanukkah is here!
The whole house is bursting with holiday cheer.**

**Pancakes are sizzling as hard as they can,
Browning delectably crisp in the pan.**

**The dreidels can scarcely wait to be spun;
Presents are hidden for Hanukkah fun;**

**And there, on the table, polished and bright,
The shining menorah gleams through the night,**

**Like the oil lamp in ancient history,
That burned on and on miraculously!**

**And each flaming candle proclaims the great story
Of the Maccabean heroes, their deeds and their glory.**

*** MOTOR 4 TOYS...Sunday, Dec 6th ***

Dusty's humongous annual MOTOR 4 TOYS Toy Drive car show again at Anthem Blue Cross. Bring an **unwrapped** toy (or 2) each worth \$10+ for entrance and meet us in your classic at the old Circuit City parking lot, by Starbucks, on Victory & Canoga by 6:00 a.m. We leave promptly from the parking lot to caravan the 1 block at 6:15 a.m.

Recipe for Christmas All Year Long

Take a heap of child-like wonder
That opens up our eyes
To the unexpected gifts in life—
Each day a sweet surprise.

Mix in fond appreciation
For the people whom we know;
Like festive Christmas candles,
Each one has a special glow.

Add some giggles and some laughter,
A dash of Christmas food,
(Amazing how a piece of pie
Improves our attitude!)

Stir it all with human kindness;
Wrap it up in love and peace,
Decorate with optimism, and
Our joy will never cease.

If we use this healthy recipe,
We know we will remember
To be in the Christmas spirit,
Even when it's not December.
